

Requirements for Certified Personnel

Document validity and occurrence of the liability to meet the requirements above:

- These are mandatory for the personnel qualified and/or certified by *Czech Welding Society ANB*, (hereinafter referred to as *CWS ANB*);
- The worker undertakes to meet these requirements from the moment he/she attaches his/her signature to the form "*Agreement on the synergy of the certified worker*" or upon signing the test protocol;
- In case of certification, the worker acknowledges that agreements on mutual approval of results of EA MLA compliance assessment do not apply to certificates or documents without reference to accreditation, but agreements within *EFW* and *IIW* do apply;
- Certification body undertakes to meet these requirements from the moment this document is disclosed on the web portal www.cws-anb.cz.

The worker who is qualified and/or certified undertakes:

- To use the certification and/or qualification document responsibly;
- To apply knowledge acquired in preparation for the test and in qualification in his/her the work;
- To observe provisions of respective documents, under which he/she is qualified;
- To be particular in increasing his/her expertise;
- In case of certification suspension, to stop using the certificate and references to it immediately;
- To keep records of all complaints about his/her operation, of their settlement, and of the measures to avoid disagreements. To inform *CWS ANB* of these matters.

Certification body CWS ANB undertakes:

- On the web portal www.cws-anb.cz, to provide information on the current state of regulations and standards in welding and soldering;
- If possible, to provide workers with professional assistance in resolving their working problems;
- To make the worker familiar with this document before starting the qualification test.

Personal data protection:

- Personal data are processed based on the justifiable interest of the Administrator (Art. 6, par. 1 letter f) of GDPR) for the purposes of issuing and archiving qualification documents;
- Personal data of workers shall be processed by *CWS ANB* (hereinafter referred to as the Administrator) and eventually by its processors (testing organizations or ATB) manually or using computer technology and authorised persons;
- The worker is eligible to request from the Administrator access to worker's personal data and detail information on their processing;
- The worker is eligible to request correction of incorrect or incomplete personal data;
- The worker is eligible to lodge an objection related to processing of certain or all his/her personal data;
- The worker is eligible to file a complaint to the supervisory body in the matter of processing his/her personal data;
- In case of applying certain right regarding personal data, you may contact us in writing only to the address of the company's registered office stated in this document;.
- For processing requests, inquiries and complaints, it is necessary to prove your identity as a subject of the data!
