

we invite you to a seminar

**80 years of ESAB experience
in the design of high quality stainless
steel welding consumables**

12 June - 13 June 2012
Hotel Studánka
Rychnov nad Kněžnou
Czech Republic

Participating speakers:

Leif Carlsson, ESAB AB – Stainless steel application

Václav Minařík , CWS-ANB – Education programmes for welding engineers

Stan Ferree, ESAB AB – Parkinson's disease and welding

Jan Komínek, Linde Gas, a.s. – Shielding gases for welding stainless

Ivo Semerád, ABB s.r.o. – Robotics application for welding stainless steel

Jiří Frýba, EXCON Steel, a.s – Stainless steel welding from od A to Z

Zdeněk Keltner, LIBERECKÉ KOTLÁRNY - Hölter, s.r.o. – Project ONYX

Ing. Petr Port, T-Q Weld – The preparation procedures for welding stainless steels

Martin Konvalina, ESAB VAMBERK, s.r.o. – ESAB Personal protection

Martin Kuběnka, ESAB VAMBERK, s.r.o. – Stainless steel welding

Ondřej Sovák, ESAB VAMBERK, s.r.o. – Stainless steel welding automation

Tomáš Zmydlený, ESAB VAMBERK, s.r.o. – Stainless steel cutting

**80 years of ESAB
experience in the design
of high quality stainless
steel welding consumbles**
